To avoid waste and to ensure your cooked breakfast is freshly prepared for you we operate a night before order system.

If you are having cooked options breakfast is served at 7.45am or 8.30am. Earlier breakfast can be arranged, but before 7.45am is normally minus the cooked options. For those not wanting a cooked breakfast or porridge, just come to the dining room between 7.45am and 8.30am.

If you have any special dietary requirement please tell us when you make your reservation so we can obtain the items you would like i.e. lactose free, gluten free etc. We are also happy to obtain vegetarian sausages if required. We reserve the right to vary the menu depending on availability of items. We may at times provide other items as variety depending on availability.
